

Sydney STEM Teacher Festival 2025

A celebration of the educators shaping the future of STEM, the 2025 Sydney STEM Teacher Festival will be an unmissable opportunity to learn, connect, and be inspired.

Celebrating our teachers.

With a theme of *"Design and Integration of STEM Subjects Using Multidisciplinary and Transdisciplinary Approaches"*, the Sydney STEM Teacher Festival is an innovative event to celebrate and empower STEM educators.

Tailor your day with 4 dynamic streams:

Primary STEM

This stream covers the use of practical tools and storytelling to deepen student engagement in STEM. Whether you're new to STEM or looking to build on your current practice, this stream offers hands-on ideas grounded in classroom success.

Secondary STEM

This stream covers a diverse range of topics, from conservation and digital design to First Nations perspectives and curriculum-aligned strategies. This stream supports teachers to deliver engaging, real-world STEM learning that inspires students and connects with future-focused education priorities.

Cross-curricular STEM

For TAS and Science educators looking to connect classroom learning with real-world applications. Providing in-depth, hands-on insights into cutting-edge research, this stream will equip teachers to inspire students through authentic, cross-disciplinary STEM learning that reflects the careers and challenges of the future.

STEM Educational Leadership

Designed for school and system leaders, this stream explores how to lead meaningful and sustainable STEM education reform. Sessions will focus on whole-school implementation and professional learning models. The stream includes keynote speakers, panel discussions and Q&A sessions.

Grow your professional network:

The day will include a range of casual and formal opportunities to connect with STEM professionals, fellow colleagues and other industry experts.

Networking Drinks

Join us for drinks and canapes at the end of the day to exchange ideas and forge new professional connections. The perfect way to reflect on and deepen your understanding of the events of the day.

This event is included in your conference registration.

Formal Dinner

Celebrate the success of the day in style with a formal dinner. Featuring Dr Karl, more networking opportunities and sumptuous food, in the beautiful Refectory at the University of Sydney, it will be a night to remember.

This event requires additional registration.

Date: 10 June 2025

Location: University of Sydney, Camperdown
